

NC WESLEYAN COLLEGE

HONOR ROLL OF DONORS

Dear Loyal Supporters of the College,

For nearly 65 years, North Carolina Wesleyan College has held to its motto: "Wisdom and Courage through Christian Education."

I am thankful that our Board of Trustees is comprised of educators, healthcare professionals, entrepreneurs, and business and civic leaders who believe in that motto, value higher education, and understand the vital role it plays in our society and the world at large. I am proud to serve as President and to continue discovering new opportunities for the future of North Carolina Wesleyan College.

As we reflect on 2020, there is little doubt that it will be remembered as a year of challenges. The pandemic caused us to completely reinvent classroom instruction in ways that remained effective, while keeping the health and safety of our students, faculty, and staff at the forefront daily. We developed unique ways to establish social interactions while practicing physical distance and made positive impacts on students' lives while the world around us seemed hopeless. It wasn't easy for anyone.

However, we have managed to persevere and provide for our students in large part due to the generosity of donors like you. I hope that our students will not remember 2020 as the year of a pandemic, but rather as the year our Bishop Nation rose to new heights to protect and support their educational journey.

With that said, I want to personally thank you for your generosity and support during 2020. We are grateful for the confidence you placed in North Carolina Wesleyan College to move forward and not let anything stop us from preparing our current and future Bishops to be leaders in the world.

Warm Regards,

A handwritten signature in white ink, appearing to read "E. Duff". The signature is fluid and cursive, written over a faint, large watermark of the North Carolina Wesleyan College seal.

Dr. Evan D. Duff
President

Dear Alumni and Friends of the College,

Since its founding by the North Carolina Annual Conference of the United Methodist Church in 1956, North Carolina Wesleyan College has been a tremendous educational and cultural asset to Eastern North Carolina and for the many students who have attended this institution. Since the doors of North Carolina Wesleyan College opened, over 15,000 degrees have been awarded to students from all over the world.

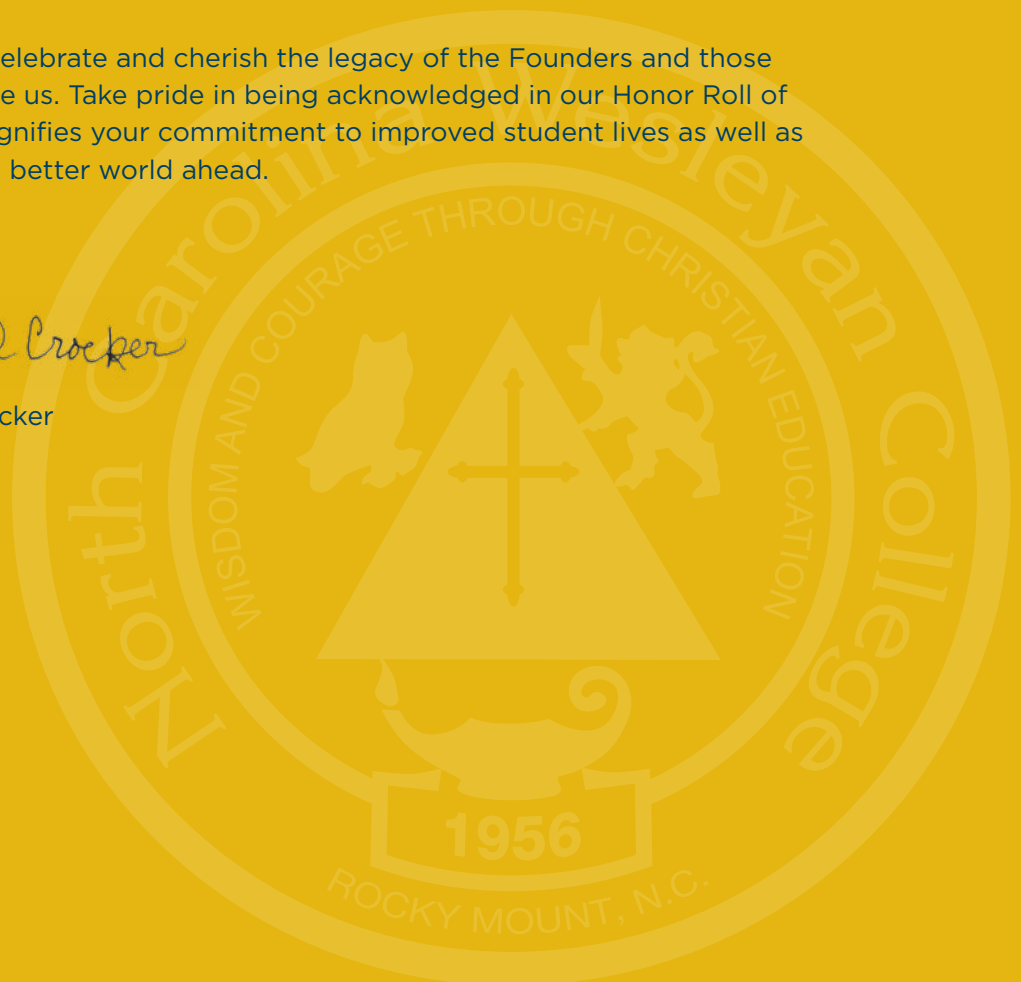

NCWC enjoys a tradition of educational excellence. Over the years, administrators, faculty, staff and members of the Board of Trustees have striven to enhance the curriculum in order to provide an enduring impact on its students so they can make a difference in the world by transferring their learning into meaningful daily living.

Your gifts help celebrate and cherish the legacy of the Founders and those who came before us. Take pride in being acknowledged in our Honor Roll of Donors which signifies your commitment to improved student lives as well as your desire for a better world ahead.

Sincerely,

A handwritten signature in black ink that reads "Daniel L. Crocker".

Dr. Daniel L. Crocker
Board Chairman
