

# Organizational Leadership

## Bachelor of Science

A Bachelor of Science degree with a major in Organizational Leadership provides students with the educational background necessary to succeed in a broad spectrum of professions and is an excellent foundation for the pursuit of several advanced degree programs. This is an interdisciplinary degree that exposes students to the business, social science and humanities concepts that will provide a solid foundation in critical thinking, analytical reasoning, writing and communication. Organizations are looking for leaders that understand work behavior, interpersonal and group dynamics as well as how to solve problems for growth and success.

This multidisciplinary business and behavioral science program focuses on practical and theoretical aspects of the various components related to the administration and management of sports/fitness/wellness personnel, facilities, programs and businesses.
