

2023-2024 Unusual Enrollment History Review Form

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U. S. Department of Education because you received Federal Pell Grant funds at multiple educational institutions during the review period: 2019-20, 2020-21, 2021-22, and 2022-23. This flag requires North Carolina Wesleyan University to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, North Carolina Wesleyan University will check the National Student Loan Data System (NSLDS) to obtain a complete history including the name of institutions you have attended and the date of attendance. You must complete this form, attach the requested documents, and return to the Financial Aid Office. If you have questions, contact us promptly so your financial aid will not be delayed. If your form lacks the requested documents or you leave information blank, the process will be significantly delayed.
