

BATTLING BISHOPS CLUB AT A GLANCE...

The Battling Bishops Club, North Carolina Wesleyan College's Athletic Association, provides direct support to the Department of Athletics and its fourteen NCAA Div. III men's and women's sports teams. Through fundraising efforts, marketing activities, and promotional events, the BBC is dedicated to providing our Battling Bishop student-athletes with opportunities to succeed both academically and athletically.

The BBC seeks to organize the efforts and contributions of alumni, parents, corporate and community friends to enhance the traditions and pride in Wesleyan's athletic programs. Through their ongoing support, Wesleyan is able to provide the additional resources necessary for student-athletes and coaches to compete within the USA South Conference and nationally within the NCAA Division III at a level worthy of champions!

Bishops 365 Club

The goal of the Bishops 365 Club is to foster continuous improvement in the athletic facilities and provide a first class experience for student-athletes. The following is a list of project goals for the near future:

- Build permanent football facilities and field on campus
- Complete outdoor decorative fencing
