

Bachelor of Arts in POLITICAL SCIENCE

Be the Change You Want to See.

The Political Science program is designed to provide students with the knowledge of political theories and concepts, governmental institutions, and political processes. The program primarily focuses on analytical reasoning, research, communication, decision-making, and analysis of data. The Political Science curriculum offers the background and preparation for students planning to enter graduate school or employment in the public and private sectors. The Political Science program also prepares students to be responsible and engaged citizens within their communities.

PERSONAL

Our faculty has real-world professional experience to ensure you are challenged and supported through mentoring and the connections we provide.
