

Spring 2024 Campus Arrival Guide

Please review this guide carefully and contact the appropriate campus office with any questions.

STEP 1 – Clear Your Business Account

All students should be cleared with the Business Office no later than 7 days prior to your assigned move-in date. Students not cleared by the Business Office will not be able to move into their residence hall until they are cleared. Students should log in to their my.NCWU.edu account, click the 'My Finances' tab on the top menu and check the Financial Aid and Business Office links on the side menu. You should also be on the lookout for emails from the Business Office and Financial Aid Office with important information about your account. Questions about your account should be directed to the appropriate office:
