- Some essential personnel may have to work later than 1pm and their schedules can be worked out with their supervisor for equal time to be taken earlier in the week.
- A lunch break **should not** be taken if an employee leaves at 1pm on Friday.
- While this is a benefit, exempt employees must make sure their responsibilities are met, which may require them to work longer hours throughout the week.

\*\*A schedule of coverage will be worked out department-by-department for the Christmas break by those departments having significant contact with the public: enrollment management, advancement, financial aid, international student services, and the business office.
