OPENING PARAGRAPH 2

Grab the reader's attention

Dear Mr. Morgan,

As a Content Writer with a passion for travel and literature, I was thrilled to see the Senior Content Writer position open up at BookFly. My past experience driving organic traffic by 23% YoY to the travel website, XTravel, would translate perfectly into the position's stated goals from the job description.

BODY PARAGRAPH 2 3

Expand on your qualifications

I have a passion for content creation and a deep understanding of the content cycle, from ideation to promotion. My years in the digital publishing world have crafted my ability to drive killer CTR and resonate with an audience. Not only did CTR jump by 2.1% in the months after I was brought on board, but it had a knock-on effect on social media engagement, which rose by 8% in the same time frame.

BODY PARAGRAPH 3 4

Connect with the company

I believe good content has its roots in good data. This is why while at Media Company I created a content-marketing dashboard to highlight KPIs like those mentioned above. The dashboard allowed us to take advantage of wins more rapidly and avoid repeating losses.

CLOSING PARAGRAPH 5

Call to action and gratitude

I thrive in a fast-paced environment and excel at creating structure from scratch. I spearheaded our SEO efforts, developing workflows and systems to ramp up content production from zero. BookFly's commitment to core values of "collaboration and imagination" align with my own preferred approach to tackling projects and dreaming of big ideas.

CLOSING AND SIGNATURE 6

I look forward to learning more about how the Senior Content Writer operates within BookFly and the current content process. Thank you for taking the time to consider my application.

Sincerely,

Jessica Dancer
