

The campus experience at NC Wesleyan was one of the best experiences of my life. I want to make sure future generations will have the same opportunity as I did. Planned giving allows me to do that.

Johnny Francis '89

We set up the endowment to show our support of students studying to be teachers and of Wesleyan's current leadership that has the University on a very good track. The actual scholarships will honor my wife Beth, who was a preschool teacher early in our married life and was known fondly on campus as 'Momma Prez'.

We have chosen to leave a planned gift not for the accolades, but for the students. For the past 30+ years, we have found great joy in assisting NCWU students. We challenge every alumnus, staff, faculty, family and friend of Wesleyan to join us and leave a legacy to the coming generations.

A GIFT TODAY THAT COSTS YOU NOTHING DURING YOUR LIFESPAN

Most people want to be remembered for doing good on Earth. We all seek significance, and that is often shaped by the lifelong decisions we make. Even when planning for the inevitable, we want to control how we are remembered and what others say about us.

You can make a life-changing gift today that costs you nothing during your lifespan, while creating a lasting legacy. For decades, the generosity of alumni, family, and community partners has sustained North Carolina Wesleyan University, helping us grow. Your planned gift can ensure that students and faculty have the resources they need to thrive both academically and personally.

By choosing to leave a gift to Wesleyan in the area of your choice, you are continuing a tradition of support that has existed since Wesleyan's founding in 1956. This tradition continues to sustain us today.

So, what legacy will YOU leave? Will YOU control the narrative of your story, or will others? Will YOU continue to impact the lives of students?

Choose YOUR legacy today!
