

Bachelor of Science in MARKETING

Where Creativity Meets Strategy.

The Marketing major provides an understanding of the important concepts of marketing. This major will prepare the student to practice marketing in a changing, competitive, and global environment. It focuses on understanding customer needs, developing products or services, creating and implementing marketing plans, monitoring customer responses, and projecting marketing activities for the future. A marketing major offers a comprehensive understanding of the marketing role, including advertising and promotion, consumer behavior, retailing, Internet marketing, services marketing, market research and strategy. The learning process is enhanced with projects, case studies and simulations.
