BACHELOR'S PROGRAM

Bachelor of Science in HEALTHCARE ADMINISTRATION

Bringing the Future of Healthcare.

A degree in Healthcare Administration prepares students to be managers in a variety of healthcare industry settings. Using foundational courses from business, the degree builds on managerial principles to educate future healthcare leaders in areas of public health, economics, healthcare policy/law, data management, and strategy. Graduates with a B.S. in Healthcare Administration will be qualified to plan, manage data, and direct operations in healthcare facilities such as nursing homes, physician practices, and clinical settings such as hospitals or laboratories. This program is available as a major and an undergraduate certificate; also as a concentration within the Organizational Leadership major.
