BACHELOR'S PROGRAM

Bachelor of Arts in HISTORY

Past Perspectives, Future Insights.

History majors study the past to understand the present and prepare for the future. Our program illuminates the breadth and depth of the human past while teaching textual interpretation, logical argumentation, and comparative analysis. History majors learn to expand their toolkit of "soft skills" that are highly prized by a modern employers, such as written and verbal communication, collaboration and teamwork, and creative problem-solving. History majors also learn to prepare for participation in our interconnected world by gaining a familiarity with the diversity of global cultures and social problems.
