VA Benefits Overview

Post-911 GI BILL® (Ch 33)

The Post-911 education benefit provides up to 36 months of education benefits for service members who have served on active duty for 90 or more days since 10 Sep 01. Service members should provide a DD214 or Certificate of Eligibility to their School Certifying Official (SCO) VeteranServices@ncwu.edu.

Tuition and fees

- VA pays up to \$28,937.09 (eff. 8/1/24 – 7/31/25) directly to the college per school year based on the enrollment rate of pursuit. Students using VA and tuition assistance (TA) together must use TA funds first (p. 11), VA Benefits will then cover tuition remaining up to the yearly cap.

Monthly Housing Allowance (MHA)

- MHA (based on the rate of E-5 with dependents for the ZIP code of your designated facility) and is sent directly to the student.
- Based on training time. In a traditional semester, you must be enrolled in 12 SH to be considered full-time training. For non-traditional, you must be enrolled in at least 6 SH per term.

Textbook Stipend

- The annual textbook stipend is \$1,000 and is paid at the rate of \$41.67 per credit hour, for up to 24 credits per year.
- The VA pays the textbook stipend directly to the student and is included in the first MHA payment of the enrollment period.

VA Benefits Frequently Asked Questions

How do I receive my benefits at North Carolina Wesleyan University? Complete a VA Student In-Processing Form –and submit it to your designated School Certifying Official at VeteranServices@ncwu.edu.

<https://ncwu.edu/admissions/apply-for-admission/financial-assistance/veteran-benefits/va-student-form/> (See page 4)

When do I submit the Enrollment Certification Form? You must be officially accepted, and your transfer credits must be officially evaluated. Then, you will submit the VA Certification Request Form along with your registration each time you register. (See page 4)

How do I get a Certificate of Eligibility (COE)? Go to the official web site of the Department of Veteran Affairs at <https://www.va.gov/education/how-to-apply/> and complete an electronic application by clicking on the Green button “Find Your Education Benefit Form.” Select “Apply for a new Benefit.” Follow the prompts. (See page 4)

Can I be certified without a COE? Yes, however, **only** the Department of Veteran Affairs can determine eligibility for VA benefits. We are only estimating what they will pay. You will be responsible for any amount of your debt in which the VA has determined they will not pay. If you are unsure, wait until you receive your COE.

I am using my parent or spouse’s benefits, can I give you their COE? No, those documents state that *they* are eligible, not *you*. You must have a COE with your name on it **or** the approved Transferability Authorization and *submitted* VA Form 22-1990E (refer to “How do I get a Certificate of Eligibility” above).

How do I apply for the Yellow Ribbon (YR) Scholarship? You must complete the Yellow Ribbon Application and submit it to your SCO <https://ncwu.edu/admissions/apply-for-admission/financial-assistance/veteran-benefits/yellow-ribbon-application/>. NCWU currently selects five (5) Yellow Ribbon students per year (Must be CH 33 at the rate of 100% and must exhaust all benefits before eligible) on a first come, first served basis. Each YR student receives an additional \$1000 grant from NCWU, which is matched by the VA for a total scholarship of \$2000. (See page 16)

Can I get other financial aid? You may possibly qualify for PELL grants, outside scholarships or grants and student loans. The first step would be to complete a Free Application for Federal Student Aid (FAFSA). Go to <https://studentaid.gov/h/apply-for-aid/fafsa> to complete the form then talk to our financial aid counselors in the Office of Financial Aid. FinancialAid@ncwu.edu. The NCWU School Code is **002951**.

How will other financial aid affect my benefits?

We are required to report to VA the net tuition cost **after** applying tuition-specific grants, scholarships, discounts, etc. VA pays the balance under Ch 33 Post 9/11 Bill.

How do I get transfer credit for my military training? You must provide an official copy of your military record during the admissions process along with your prior college transcripts so it can be evaluated. Each service has a website to request official transcripts. (See page 9)

What are approved courses? All of the academic programs at NCWU have been approved for Veterans Education Benefit; however, only those courses required for your declared major may be approved for your benefit (and electives, if needed).

Why can't I sign up for elective classes if I cannot get a full-time schedule? VA will pay only for those courses required for your program. If electives are needed, you can. Meet with your academic advisor to determine if you need electives for your degree.

Can I change my major? Yes. We recommend you first consult with your Academic Advisor. You can submit your major change by clicking on the Student Tab, then Registration Video/Forms, Major/Minor Declaration Form in My.NCWU. Be sure to mark that you are using Veteran Benefits on the form.

What if I want to double major? You may be approved for a minor or dual major but you must have at least 50% of your major requirements completed before you can be certified outside your declared major. You should also confer with your Academic Advisor and VA Certifying Official before adding a minor or additional major.

Will VA pay the additional fees if I take a directed study or independent study class? No. VA will not pay for the additional fee, they will pay for the tuition cost. Additional fees would be your responsibility. Courses taken on a pass-fail basis or for an audit are also not covered by VA Education Benefits.

My instructor says I need a specific type of (calculator, instrument, etc.), will VA pay for it?

The CH 33 Benefits **will only pay the fees that are required for all students**. Fees for applied music lessons, PGM fees, tennis fees, parking fees, etc. are not covered. If you are using CH 31 VRE, your VA career counselor may approve additional required expenses.

How can I get my books now? Your VA book allowance is sent to you on the first day of the month for the previous month. If you have financial aid, you can ask the bookstore to charge your student account. Traditional students' tuition includes the cost of book rental.

I am not doing very well in my class, should I withdraw? That would be your decision, however, if you drop a course after the add-drop period you will have to reimburse VA for the charges they paid in advance. VA pays for each day you attend class. **The VA does not pay for non-attendance.**

If I stay in the class, I might fail and then I'd have to pay VA back too, right? No, an F/N means you attended class but did not score high enough to pass; VA will pay for the course and pay for you to re-take it and replace the failing grade; however, you must maintain Satisfactory Academic Progress (SAP) as described in the NCWU catalog. Failure to maintain SAP will result in termination of VA benefits. Repeating classes will adversely affect your SAP but will positively affect your GPA.

What if I just stop going to the class? In that case you will receive a grade of "XF," which is a punitive grade. It would affect your GPA the same as an F, **and** you would have to repay the VA for that course. If you receive a monthly stipend, (MHA), you will only receive payment through the last day you attended. **The VA does not pay for non-attendance.**

I want to stay on campus, does the VA housing stipend pay for that? Yes and no; the housing stipend for the CH 33 benefit is a flat rate payment based on the ZIP code of the facility in which you attend and is paid directly to the student at the end of each month. This amount may or may not cover the cost of room and board at the school. The charges are payable at the time of registration. It's your responsibility to sign up for a payment plan – contact BusinessOffice@ncwu.edu. Online courses will be determined by the ZIP code of the course location or home campus or 50% of the national average if classes are all distance/online.

Will I get paid during the break between semesters? Benefit payments for all chapters will only be paid during the term dates.

President Obama issued an Executive Order on January 5, 2011, revoking authority from VA to pay the break pay after August 1, 2011.

I called the VA and they said my payment was sent to the school but the Business Office says it has not been credited to my account. Why are you holding it? We ask that you allow 14 days for the payment to be processed by the various departments (Veteran Services Office, Financial Aid, Institutional Computing, Business Office) for checks and balances, to ensure accuracy and to make any changes that may be necessary (For instance, if you have any course changes since your initial registration and issuance of financial aid award letter). **I have made no changes why does it take so long to process mine?** While your particular case may be a simple one the person whose payment we received before you may need a lot of attention. We ask that you be patient and allow us to take the time and care necessary to be accurate.

I did not receive a W-2 from VA. Do I need to pay taxes on my VA education benefits? No. Any veterans' benefits paid under any law administered by the Department of Veterans Affairs (VA) should not be reported as income to the Internal Revenue Service (IRS). You will not receive a W-2 from the VA.

I have a question that is not listed here can you answer it? Contact your School Certifying Official or visit the VA website at <https://www.va.gov/education/>. You may also call the toll-free VA Hotline for students at 888-442-4551 or email VeteranServices@ncwu.edu.

Military Deployment Policy

Statement: North Carolina Wesleyan University appreciates the dedication of our students who continue to serve on active duty, guard or reserves while pursuing their education.

Purpose: This policy provides equitable consistent treatment to its military students who are deployed or placed on active-duty status so that they may continue their education once their deployment or military service is complete.

Policy: Students who are deployed/placed on active duty (defined as anyone with official active-duty orders including reservists and guard members serving on regularly scheduled Unit Training Assembly (UTA) weekends) status during the term they are enrolled may choose one of the following options:

1. Continue the coursework through online/email participation. When deemed feasible by the instructor, the university will allow the student to continue the course by arranging with the instructor using either online resources or email correspondence during the time of deployment/active-duty status.
2. Receive a grade of "incomplete." The instructor will allow the student to continue working on the coursework for a time to be determined but no longer than 8 weeks past the term end date. Students must complete the course requirements within the period of time specified by the university to avoid receiving a failing grade for the course. Instructors will provide the assignments due and due dates to the student in writing via email. In the event that a student is required to participate in a field trip or an in-person, synchronous, or other activity within or outside the

normal class meeting which conflicts with a scheduled drill weekend or other military training, the student will be excused from the activity and given the opportunity to make up work at a later time within the course when feasible.

3. Drop without penalty. Students should consult with their primary advisor and instructors prior to dropping courses. If it is determined that dropping the class is the best option, the student should then complete the Military Leave Request including a copy of a completed Drop/Add form. Copies will be sent to the Registrar and the Academic Advisor.

Student's Responsibilities and Procedures: Student must alert their instructors as soon as they have a conflict or prior to the start of class, whichever occurs earlier. Then the student must complete the Military Leave Request Form including official paperwork showing the dates of training as an attachment. The Associate Dean of Veteran Services receives the form with documentation and alerts the student's instructors, primary advisor, Provost's office, business office and financial aid office.

Readmission: Students returning from deployment will be readmitted at the same academic status as they had when previously attended.

Deployment and Reintegration POC: To ensure the service member is supported during the deployment, the Associate Dean of Veteran Services will guide the student through the Military Leave Request process beginning with pre-deployment through reintegration. As needed, various other campus staff and resources will be available for the student to ensure a smooth transition back to Wesleyan. VeteranServices@ncwu.edu.

Military-Related Discounts and Scholarships

Military 10% Off Tuition for Undergraduates – Any Veteran or Active Military along with their spouses are eligible for 10% off undergraduate tuition. You must provide proof of service (DD214, Military ID card, military transcripts, etc.).

Army ROTC Scholarship - The ROTC also offers the Dedicated Army National Guard Scholarship and the Guaranteed Reserve Forces Duty Scholarship. Contact ROTC@ncwu.edu.

Christopher S. Cash Memorial Scholarship - In 1993, Captain Cash graduated cum laude from North Carolina Wesleyan University with a bachelor's degree in physical education. As a dedicated student, he was chosen to receive both the North Carolina Mary Morrow Scholarship, and the first annual Don Scalf Scholarship which was created to honor Wesleyan's retired athletics director and coach.

After earning his undergraduate degree in 1993, he was commissioned as a Second Lieutenant in the North Carolina National Guard. Captain Cash was an active-duty Soldier from 1986-1990, when he joined the North Carolina National Guard. While representing the 30th Infantry Brigade in 1991, Captain Cash was nominated for Outstanding Guardsman of the Year. In September of 1999, after Hurricane Floyd, he served as an essential leader with the 119th helping to restore his local community of Eastern North Carolina. Then in October 2003, he was mobilized in support of Operation Iraqi Freedom as the Commander of Company A, 1st Battalion, 120th Infantry Regiment, 30th Enhanced

Separate Infantry Brigade headquartered in Jacksonville, North Carolina.

As a Company Commander, he led three platoons, and his soldiers provided support and protection to Iraqi citizens. During a pre-dawn patrol of a main supply route, in BaquMHA, Iraq on 24 June 2004, Iraqi insurgents ambushed Captain Cash's 3rd platoon. After a fierce fight, 3rd platoon was ordered back to their Forward Operating Base Warhorse. Captain Cash then personally led his 1st platoon on a mission to secure two critical bridges in the center of the city. Focused on the safety of his men before his own, he ordered them to take cover. Captain Cash was mortally wounded by a machine gunner on top of a nearby building.

The Christopher S. Cash Memorial Scholarship will be distributed each year according to the College's Financial Aid criteria. Preference for receiving the scholarship will be given to a student or students who exemplify the qualities and traits of Christopher Cash, as demonstrated by volunteer service, plans for military service and leadership initiatives in school or youth organizations. Preference will also be given to students intending to serve in health and human services fields including exercise physiology. (Funds donated for the Christopher S. Cash Memorial Scholarship Fund by the Pitt Memorial Hospital Lights of Love Tree will support a student in the health care field.) Contact FinancialAid@ncwu.edu for more information.
